

OpenFest 2014

<http://openfest.org>

1-2 November, Sofia

The biggest FOSS conference on the Balkans

- We started in 2003
- This year we are organizing the 12th event in a row
- Two days of talks in 3 halls
- We attract 1000+ attendees each year
- We organize workshops

- Open Technology
- Open Hardcore Technology
- Open Hardware
- Open Community & Civic Hacking
- Open Art
- Open Business

It's a FREE conference

- We organize the whole thing only with sponsorships
- We accept donations and have great T-Shirts to give away
- We bring O'Reilly to sell their books at 40-50% discounts
- We invite sponsors to advertise their products or try to recruit people there

We bring people together

- We organize workshops
- We ask all of our speakers to have their slides in CC
- We record all the talks and publish them online

We will bring

- Harald Welte (OpenBTS)
- Goerg Greve (Kolab)
- Sergey Polzunov (RIPE)
- Olimex (Bulgarian Open Hardware company)
- Carlo Frinolli & Chiara Albanesi (Art)
- Hollie Lubbock (Design)

We have games

- Server challenge
- Crimp contest
- Share it

When and where?

- Sofia, Bulgaria
- Interpreted
- 1-2 November

- we will have talks in English during the whole conference
- come to speak
- come to visit Sofia
- come to attend the talks
- come to attend the workshops
